

## Shop Floor Displays – Work Stations

Kamal & Co manufactures a range of displays for use in your workplace. Our innovative displays help you to place production data, improvements, graphs, work instructions, leaflets, manuals, and catalogs in a functional and stylish system. Our displays ensure maximum visibility, easy retrieval of data and ease of use.

You can display any size of visual A0 / A1 / A2 / A3 / A4 / A5

### ---Workstation with Drawers---

This **Organizezy™** stand provides a flat writing surface and accommodates parts, tools and gauges for inspection and display. It also features three drawers for keeping small parts and files, work instructions and notes. Additionally the Workstation features front closing flap with clips for fixing work instructions and drawings. It also serves as a inclined Writing surface. The flat surface has clear acrylic cover to protect ISO 9000 manuals, Instructions, Prints and other documents from shop spills, oil, mist, etc.
